WVU and WVU Online have a single mission: to provide a quality and affordable education. No matter who you are, or where you are, you’ll find your niche here.

As part of “One West Virginia University,” WVU Online is guided by WVU’s mission calling for programs and services that:

- create a diverse and inclusive culture that advances education, healthcare, and prosperity for all;
- provide access and opportunity;
- advance high-impact research; and
- lead transformation in West Virginia and the world, though local, state and global engagement.

As the demand for online degrees and courses grows, WVU Online continues our student-centered focus. Our responsibilities include:

- constantly exploring new technology to provide you with the most up-to-date online education;
- providing online programs that are an extension of the excellence of our on-campus programs;
- designing online programs that provide you with future-ready skills to put you ahead of the competition.
WVU ONLINE = ACADEMIC INTEGRITY

WVU is recognized for its academic excellence. We bring WVU to you with a state-of-the-art learning platform, support and connections that start even before you enroll, and access to a dynamic online community.

ACCREDITATION

WVU is accredited by the Higher Learning Commission, which guarantees the quality of the University as a whole. Most WVU Online programs also hold specialized accreditation.

STANDARDS

The State Authorization Reciprocity Agreements (SARA), establishes uniform standards for distance education for all participating institutions. WVU Online joined SARA in 2014 and offers distance education in all 49 states, districts and territories that participate in SARA.

COLLABORATION

As an online student, you’ll use WVU eCampus, a powerful virtual space where courses are easy to follow, communication with your professors is seamless, and collaboration with peers is built into the learning experience.

QUALITY MATTERS

WVU Online uses Quality Matters,™ a nationally recognized standard of quality assurance in online course development and delivery.
